Last week's meeting notes from Kerry

Great meeting/Assembly lead by acting President Richard B and Sergeant Richard W

Suzanne drew our attention to the fact that when exiting the Academy at the roundabout extra care needs to be taken when turning towards Lauderdale ie coming around the circle- cars coming from town may fail to stop

Richard W advised that we already have 1 applicant for NYSF and expect more

Richard W also has had a nomination from a Claremont student to attend the two weeks Science Experience in January (formerly Siemens Summer School). Richard was going to ask Claremont Rotary to sponsor as we hopefully could have students of our own

Clarence High asked for funding assistance to create a Memorial Rose Garden to commemorate Australian Service people. Currently school conducts ANZAC day services. We decided to decline and advised them to contact politicians, council or RSL.

Richard W and Jacob did Second Bite and said that picking up from Woolworths at 1pm they got more food than usual and still finish by 3pm.

Members classifications were upgraded, where necessary, and an order placed to provide new magnetic backed badges.

Raffle was won by Suzanne and I think Alan Morris.

Cheryle and June have taken on the arranging of the changeover dinner on 4th July so please let them know if you are coming.

85 Rulers asked to apply for leave if they will be absent for a length of time, David will produce a leave document so we are aware who is away and for how long.
