Reach Within to Embrace Humanity

A switched on Club working for our community.

President Reg Emmett Secretary Glen Woolley

Tonight

Club Committee Meetings

Spend time the planning for the year

Followed by

Board Meeting

The new look—don't worry he usually tilts that way.

From the President

We have an exciting but challenging year ahead. We have laid the foundation for our future, what and where we want to be by 2015. Everyone needs to work together creating Fellowship and having fun. If we seek activities creating opportunities for whole club involvement and supplement this by actively recruiting members we'll be on the way.

Engagement as well as attendance

For good food, good fellowship and the opportunity of service to others,

May the Lord's name be praised
Amen

The local sheriff was looking for a deputy, so Gomer, who was not exactly the sharpest nail in the bucket, went in to try out for the job.

"Okay," the sheriff drawled, "Gomer, what is 1 and 1?" "11" he replied. The sheriff thought to himself, "That's not what I meant, but he's right. What two days of the week start with the letter 'T'?" "Today and tomorrow."

The sheriff was again surprised that Gomer supplied a correct answer—that he had never thought of himself. "Now Gomer, listen carefully: Who killed Abraham Lincoln?" Gomer looked a little surprised himself, then thought really hard for a minute and finally admitted, "I don't know."

"Well, why don't you go home and work on that one for a while?"

So, Gomer wandered over to the barbershop where his pals were waiting to hear the results of the interview.

"It went great! First day on the job and I'm already working on a murder case!"

Thanks to Lindsay and Graeme for their organisation of last Sunday's changeover celebration—excellent support from members shows they support this way of handling the end of year.

Congratulation to new Paul Harris Fellow sapphire pin awards—PP Dick and PP Glen.

On Friday 8 th at an assembly of around 20 grade 3/4/5/ students and parents, Graeme presented our cheque to acting Principal Grant Robinson for the purchase of items for the Sensory Perception Room.

The BBQ add K & D last Saturday was a challenge. George spent more time warming his hands than turning sausages.

Customers appreciated us—raised \$600 before we sold out for the second time.

Thanks to all.
