A fifth grader looked downcast, so her teacher asked, "What's the problem, Carol? I hope it's not homework again."

"Well, uh, yes, it is," replied Carol. "I was stupid and made my homework paper into a paper airplane."

"Carol, you're right, that wasn't a very bright thing to do," said the teacher, "but this once I'll let you just unfold the paper and hand it in."

"Oh, but that won't work," said Carol, looking even sadder. "You see, the plane was hijacked."

A few years ago, as a solar eclipse approached, some planetarium directors in Southern California sent out warnings to the community about the eclipse. They warned people not to look directly into the sun.

The planetarium received an indignant letter from a local blonde resident. She said that if an eclipse was so dangerous, they never should have decided to hold one and ought to cancel I

One night while I was cat-sitting my daughter's indoor feline, it escaped outside. When it failed to return the following morning, I found the beast clinging to a branch about 30 feet up in a spindly tree. Unable to lure it down, I called the fire department.

"We don't do that anymore," the woman dispatcher said.

When I persisted, she was polite but firm. "The cat will come down when it gets hungry enough."

"How do you know that?" I asked.

"Have you ever seen a cat skeleton in a tree?" she said.

Two hours later the cat was back, looking for breakfast.

## Last week's Club Assembly

There was some discussion about 2nd bite— and the waste of time spent hanging around waiting for the packers to perform. I spoke to Pat Burton who undertook to help with the problem and he agreed we could come later provided we were there by 1:30..

AG Elect Arthur visited, offered his assistance for the year (even to working on a BBQ) presented a copy of his Anzac diary book as a raffle prize. The winner had the honour of presenting it to the Police Academy Library— thanks Helen.

District Assembly proved of interest to most of our participants . One of the emphasis this year was for Rotary Awareness, with the Polio day in February a focus. On that subject did you notice the great TV coverage for MUNA—BUT NOT A ROTARY INSIGNIA IN SIGHT - ENOUGH SAID.
