An old woman was arrested for shoplifting at a grocery store. When she appeared before the judge, the judge asked what she had taken. The lady replied, "A can of peaches." The judge then asked why she had done it.

She replied, "I was hungry and forgot to bring any cash to the store."

The judge asked how many peaches were in the can. She replied, "Nine."

The judge said, "Well then, I'm going to give you nine days in gaol--one day for each peach." As the judge was about to drop his gavel, the lady's husband raised his hand and asked if he might speak.

The judge said, "Yes, what do you have to add?" The husband said, "Your Honour, she also stole a can of peas."

An American tourist asks an Irishman:

"Why do Scuba divers always fall backwards off their boats?"

To which the Irishman replies:

"If they fell forwards, they'd still be in the ***ing boat."

Clarence Council Projects

Last Week

Our own Dick Shoobridge spoke about the Clarence Recycled Water Scheme.

It's always great to hear of our members projects The Clarence Recycled water scheme is by far the largest project of this type in Tasmania—it serves 28 properties. Dick revisited the setup of the scheme and highlighted developments for the future under it's management by Southern Water.

Here and There

- ◆ Happy birthday Dana— for last week.
- ◆ Thanks to John Anderson for sharing the evening with us last week .
- ◆ We'd all better to be introduced to Basil's dentist—must be a great guy to employ nurses like that. Suzanne's also a dentist fan—for different reasons..
- ◆ Science and Engineering Challenge is 7,8,9 July.
- ◆ It was good for George to feel that we achieved great PR at Anaconda—but can you have good PR without people?
- ◆ Noticed how Carlton supports get carried away after they've had a little success—they'll be back to normal this week..
- ◆ Who will do the Bulletin for June 3rd and 10th?
