This week .

Club Assembly, including the AGM and election of office bearers for the 2012/13 Rotary Year, followed by a Board Meeting.

Positions vacant are Vice president, President elect, Secretary and Treasurer. Jacob George has already nominated for President.

Last Week

Nick McVilly gave a well prepared and articulate talk about himself and his aspirations for the future, particularly his involvement in the 2012 National Youth Science Forum in Canberra which he will attend as our nominee. Nick lives in Cremorne, is in Year 11 at Hutchins and aspires to be a doctor. NYSF will give him many opportunities to canvass his options as well as meet other young people of like mind. We wish him well.

Attendance: 13 Oct	Currently 18	Present 18
85 rule exemptions nil	Make Up nil	18/18 100 %

Birthdays: 5 Oct. Kerry Tilyard.

Here and there.

The Club showed its respects to the late Maureen Morrisby by observing a minutes silence at last week's meeting. Maureen was a tireless worker for the club and a great supporter for her late husband Terry. Some mebers will remember the working bees at there place to prepare for the Apricot Festival and the fellowship that ensued.

Last week's speaker, Nick, made a great impression on members and we hope he will gain greatly from his attendance at NYSF. Our nominee from last year, Bridget Dickenson has done well. She will be a tutor at this years Forum and has just returned from a science investigation on Lord Howe Island. [Mercury Oct 11] A bit different from the science excursions most of us did at school !

The Club has agreed to cater for the National Square Dance Convention in June 2012.

Lindsay and Jean have returned from their trip to the Finders Ranges and Birdsville. Lindsay looked a bit tanned but was that just outback dirt ?

All members were at the meeting last week. How long since that last happened ?

Seems that Kangaroo Bay Rotarians have decided that amalgamation is not viable, as I think we had, but some of their members may join us.

President Reg arrived at the meeting late after doing some work at Kings Meadows High. He was quite shocked when he realised that it was 35 years ago that he taught there. Might be time to retire Reg.

Just 4 fun

A bicycle can't stand alone, it's two tired.

A chicken crossing the road, poultry in motion.

A will is a dead giveaway.

A backward poet writes inverse.

Australians all let us rejoice,
For we are young and free;
We've golden soil and wealth for toil;
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage

In joyful strains then let us sing,
