The Art and Craft Exhibition.

Committee members, George , Kerry , David, Dick, Glen and June

- Will run 19th Feb – 1st March at Schoolhouse Rosny and be ceramics or 2D works
- Timing is based on the Jazz Festival being on lawns at schoolhouse during this week, so should bring extra lookers/buyers
- Launch will be 2pm on Sunday 19th February
- We will provide nibbles and drinks for launch
- An auction will be held for 1 piece of work – this work will be donated by an artist (Tracey and Sarah going to chase up a piece of work for us)
- We are to get 30% of sales, and the auction money, so would like good quality saleable works of art
- Tracey and Sarah are looking at their lists of artists who create quality work for our initial letter
- Letter to be sent 17th October and RSVPs by 19th November
- George, Reg and I developed the letter and the attached Terms and Condition document which we then sent to Tracey and she has refined
- We are not required at the exhibition other than maybe to assist to hang them up (Tracey and Sarah may not need us even for that) and probably to clean up after
- We will be needed at launch
- We will need to advertise and get people on board.
- We will need to find artists as well as buyers.

This looks like a good project but it will take a contribution from all members to make it a great one. Be in it.

Last Week

Wayne Tucker described Papua-New-Guinea as a land of contrasts. The country is enormously wealthy but poverty is everywhere. The people are lovely but can get violent.

Wayne was there for 14 months as Chief Operating Officer for 21 airports including Port Moresby.

Port Moresby can be a dangerous place to live; wages are low and cost of living high. The numerous languages (680) are a problem preventing a cohesive neighbourhood. Tribal structure causes many problems.

Tourist opportunities are phenomenal, there are few roads – airports are the roads.

Here and there

How many takers for a meal on Sunday after the Spring Festival. Perhaps “Eating on the Edge” or the “Shoreline”. Expressions of interest tonight.

Good to see our flag flying at the Howrah Garden Centre on Sunday, even if the coffers were light.

Board meeting tonight, Club Assembly next week.

Tonight's Guest Speaker , Hector Lopez.

Hector is a member of The International Society for Student Unity and Empowerment and recently travelled to Uganda where he and his friends were dismayed at the conditions of the Ugandan people. Of particular concern was the high incidence of malaria, a preventable disease. The people worst affected are pregnant women and children under five. Hector and his friends aim to raise money to mount a four pronged attack on malaria based on education, ,prevention, diagnosis and treatment.
