Can you spot the member doing all the work ?

How did the official photographer sneak into the bottom photo and where did the President go?

This week . Club Assembly at the Academy 6 for 6.30

Last Week.

The Community BBQ at Glebe Hill won't go down as our best community liaison effort but it wasn't for want of effort on the part of Dick and other Club members. Almost 100% attendance , some good fellowship but a clear message from the locals that they weren't interested. Back to the drawing board.

Last Weekend.

What a difference. A huge fundraising effort from Glen, June, Cheryle, Basil, Helen, Dick, Reg, Annette, George, Kerry, John and Graeme. A profit over \$1500 when the weather ranged from ordinary to bad reinforces our decision to leave the Taste, particularly in the light of recent criticism of arrangements there.

Here and there

This is a busy time of the year for all members with many Club activities together with demands of the Festive Season. Please be aware of the activities listed on the next page and do your bit where you can.

Kerry and George are working hard on the Art Show and the major task for the rest of us is to get people to attend and **buy**. Get your thinking caps on and get names to Kerry or George. . I can think of a few past members who fit the bill. [excuse the pun] It won't happen unless we make it happen

How are the milliners getting on with their hats for this Sunday?

Congratulations to Harold and Barbara James on the celebration of their 60th wedding anniversary. Brings to mind a George Casimaty quip which we won't repeat here.

Have you advised Glen whether you and your spouse will be attending our Christmas breakfast at Three Little Ducks. Whose turn to bring the Baileys?

The average cost of rehabilitating a seal after the Exxon Valdez oil spill in Alaska was \$80 000.

At a special ceremony, two of the most expensively saved animals were released back to the wild amid wild cheers and applause from onlookers. A minute later, in full view, a killer whale ate them both.

Dennis was down at the local police station wanting to talk to the burglar who'd broken into his house the night before.

The desk sergeant was adamant. "No. You'll get your chance in court, sir."

"No, no, you don't understand," Dennis said. "I want to know how the hell he got into the house without waking my wife."
