Rotary Club of Howrah gives strong support to programmes for young people.

But how many of you know much about the “Science—Engineering Challenge “ ?

You should—and we’re privileged to have the gurus from New South Wales to tell us all about it. They’ll adjust the experience to what you want, a talk about the programme, a video or perhaps s nds– on activities.

Let’s support Bob and Michael....

Bob, a 70-year-old, extremely wealthy widower, shows up at the Golf Club with a breathtakingly beautiful and very sexy 25-year-old blonde-haired woman who knocks everyone's socks off with her youthful sex appeal and charm and who hangs over Bob's arm and listens intently to his every word. His buddies at the club are all aghast.

At the very first chance, they corner him and ask, 'Bob, how'd you get the trophy girlfriend?' Bob replies, 'Girlfriend? She's my wife!' They are knocked over, but continue to ask. 'So, how'd persuade her to marry you?'

'I lied about my age', Bob replies. 'What, did you tell you were only 50?'

Bob smiles and says, 'No, I told her I was 90.'

Groups of Americans were travelling by tour bus through Holland. As they stopped at a cheese farm, a young guide led them through the process of cheese making, explaining that goat's milk used. She showed the group a lovely hillside where many goats were grazing.

'These' she explained, 'Are the older goats put out to when they no longer produce.'

She then asked, 'What do you do in America with your goats?'

A spry old gentleman answered, 'They send us on bus tours!'

Pleased to have AG Arthur and Jill (not Jan) join us

A fitting finale, P Glen and June bow out.

Richard quietly takes it all in

With the start of the new Rotary year, Rotary International's revised Strategic Plan officially goes into effect.

The plan comprises three priorities, all of equal importance to Rotary's future: support and strengthen clubs, focus and increase humanitarian service, and enhance public image and awareness. These priorities stem from Rotary's core values of service, leadership, diversity, integrity, and fellowship.

The England World Cup team visited an orphanage in Cape Town today.

"It's heartbreaking to see their sad little faces with no hope," said Jamal, aged six.
