## This week . Partner's Night.

David Warren

Electric Car Research

**David flew the first electric plane (an ultra light) in the southern hemisphere and is converting a car and involved in making batteries in China**

A great meeting last week. Enough party food for a REAL party and we had a floor show— literally. Suzanne, started by agilely placing herself on the floor in a prone position. She then propelled herself into a seat sending her and the chair into a pile in the corner. It took a large serve of Graeme and Jacob's chivalry to bring her back to an even keel,

We were operating under difficult conditions. Dick didn't mind—getting his wine served in a beer glass meant he got more.

## Roster

Chairman 8 Basil Murray 15 K B 22

Last year I replaced all the windows in my house with those expensive, double-pane, energy-efficient kind.

Today, I got a call from the contractor who installed them. He complained that the work had been completed a year ago and he still hadn't been paid for them.

Hellloooo,.....just because I'm blonde doesn't mean that I am automatically stupid. So, I told him just what his fast-talking sales guy told me last year... that these windows would pay for themselves in a year,, Helllooooo? It's been a year, so they're paid for, I told him.. There was only silence at the other end of the line, so I finally hung up.

He never called back.

I bet he felt like an idiot...

I just took a leaflet out of my mailbox, informing me that I can have sex at 75!

I'm sooooo happy, because I live at number 67..... so it's not far to walk!

It's hard work being on the social committee. Eight members checked out the South Arm RSL on Monday night and now recommend that we hold our Christmas lunch function there on Sunday 11 December .

It was a quiet day at the Howrah Garden Centre BBQ on Saturday.

A good day to work some PR.

But even when they had some customers they didn't seem interested !!!

It was different at K & D on Sunday. We should have more Father's days, raised just under \$1K for the day on the K&D BBQ. Basil was in his element— he ran 3 teams he reckoned— pictured is one of them. The prize goes to Helen she noticed we were on fire—see the hole in the front panel on the right,— so even the BBQ was running hot.

## Here and There

John Anderson, Noel Jacobs, Harold James, Malcolm Salier and Ralph Wehse have accepted the invitation to become Honorary Members.

Well done Suzanne, who accepted IPAG Arthur's request for help selling badges for legacy. Glen spoke of the challenges confronting Legacy and suggested we offer support.
